Gary Hebl for Assembly  
PO Box 46  
Sun Prairie, WI 53590

Dear Mr. Hebl,

On behalf of the families of the active and retired members of the United Transportation Union, it is our honor and privilege to inform you that the SMART Wisconsin Legislative Board has extended their endorsement to your campaign.

As a result of the recent merger of the United Transportation Union and the Sheet Metal Workers International Association, our members are in the sheet metal construction and production trades and are the professional railroad employees of the major Carriers operating in Wisconsin. They are the Conductors and Enginemen working in passenger, road freight and yard switching service on Amtrak, Metra, Burlington Northern Santa Fe, Canadian National, Canadian Pacific, and Union Pacific Railways. We are committed to our families, our communities, the safety of our workplaces and the public as well as quality customer service.

Your professionalism and dedication to public service and public safety are to be commended. We take great pride in knowing that we can count you among our friends.

We look forward to working with you and your staff.

Gratefully yours,
